CREMA PEARL

GRANITE

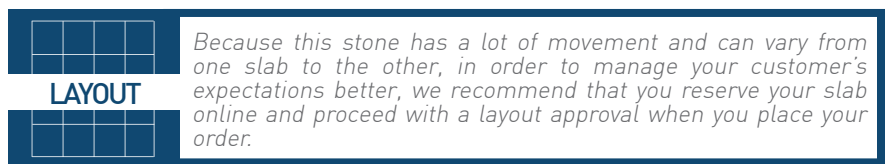

BRAZIL

CREMA PEARL

Description

Crema Pearl is a magnificent granite with hues of yellow, cream, white, with fine grains of burgundy extracted from Brazil, one of the largest exporters of natural stones in the world. Not only does Brazil offer its visitors a fascinating culture, but its geodiversity enables it to create a stone such as Crema Pearl, which provides a unique look and subtleties that will have those who incorporate a parcel of this Brazilian jewel to their decor dreaming of leisure days spent on warm sandy beaches. Crema Pearl is ideal for indoor and outdoor applications, both residential and commercial.
