

ARTISAN COLLECTION THE VANITY SINK

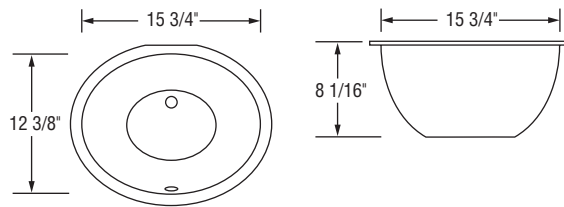

Traditional or modern, but always in style, the vitreous undermount sink collection offers rectangular and oval forms to adapt itself to your style.

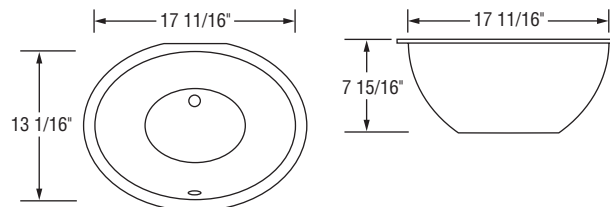

General Information

- Fabricated with a high-quality clay mix
- Cooked at extremely high temperatures to harden the glaze and form a durable protection
- Durable finish, non-porous with a high shine, the sinks are extremely stain resistant
- Strainers are NOT included but **MUST BE** on-site during templating.
